**STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER**

Leeds City Council has identified the need to increase pedestrian safety and improve the environment by reducing the impact of motor vehicles in the vicinity of the residential developments on Cross Green Lane.

As well as introducing no waiting between 08:00 am and 6:00 pm Monday to Saturday inclusive on lengths of Cross Green Lane, two Parking Places are to be introduced on areas of Cross Green Lane. The first area will prevent long stay parking during the day and improve the provision for residential parking overnight. The second area will prevent long stay parking during the day except for residents or businesses that have been issued with and are displaying a valid permit to allow them sufficient parking in the vicinity of their property / workplace.

The order will prevent the use of vehicular traffic in a manner which is unsuitable to the existing character of the road and adjoining properties and will improve the amenities of the area through which the road runs.
