

A65 Kirkstall Road Quality Bus Initiative - Scheme Update 8 – December 2010

A65 QBI Traffic Management December 2010

The traffic management on Commercial Road between Beecroft Street and Gilbert Mount is due to change imminently. The new layout will remain in place until the end of June 2011. The current arrangement of one lane in each direction will be maintained during all busy times and only slight delays are expected.

A temporary Pedestrian Crossing is planned to be operational before the Christmas Holidays, subject to the weather. This will be situated near the Angel Halls of Residence, West of Gilbert Mount.

The current traffic management on Kirkstall Road between Birfed Crescent and the Immigration Offices will remain in place until Christmas. The new footpath will be open for pedestrians to use between the Immigration Offices and Woodside View before Christmas, the Traffic Management will remain in place until after the New Year.

The service road between Staples and Benfield Ford has been narrowed to one lane and pedestrians have been diverted safely into the carriageway. The new footpath is due to open before Christmas, subject to good weather. The carriageway will continue to be narrowed in this area, and therefore, parking restrictions will continue to be enforced in this area for the foreseeable future.

Night works

Temporary road markings will be laid, overnight, during week commencing Monday 13th December 2010. These works were due to take place in November but due to adverse weather conditions they were postponed. No further night works are due to take place this year.

Further traffic management updates will be posted on this page as they become available. Dates given for closures are approximate and may be subject to change at short notice.

News

The A65 works will be suspended over the Christmas period from Friday 24th December 2010 until Monday 10th January 2011.

The A65 team would like to wish you all a Merry Christmas and a prosperous New Year.
