

SCHOOL GATE PARKING INITIATIVES

Parking outside schools is a major problem in most areas of Leeds, and to try and alleviate this problem, the Road Safety Promotion Unit launched an initiative in 2006 where they provided a School Gate Parking banner for each ward in Leeds; one school in each ward was asked to hold the banner which could then be booked and used by the other Primary Schools in the ward group. The banner design carries a pictorial message, which we hope will give a clear and simple message about parking away from the school.

Schools should contact their banner holding school directly to book use of the banner and arrange collection (see below for banner use information and a complete list of schools in each Ward Group).

Schools that hold the banner can download an A3 booking sheet, which can either be printed or saved and used electronically.

Other strategies that may help to eradicate School Gate Parking problems include:

Park and Stride where pupils can be dropped off at an agreed point away from the school and then walk the remaining distance to school

Walk on Wednesday / Walk Once a Week all pupils are encouraged to walk to school on one day each week.

Walking Bus adult volunteers stop to collect pupils on a designated walking route.

Mini Police Initiative pupils patrol outside the school accompanied by PCSOs or Community Police Officers, and issue 'parking tickets' to those parking dangerously or inconsiderately.

USE OF SCHOOL GATE PARKING BANNERS

School Gate Parking banners are loaned to schools for an agreed period. Cable ties (which can be re-used) may be provided to attach the banner to railings. The banner can also be fixed with thick string.

Please bring the banner back into school at the end of each school day. Do not leave it outside overnight as banners have in the past been vandalised and stolen. Thank you for your help in this project, we hope that the banner will be useful, and that the scheme will benefit the schools involved.
